

Providing energy solutions for business

John Walsh
Strategic Account Manager
Solution Sales

See how we're helping
The ACC Liverpool Group
venues create the right
kind of energy.

The e-on logo is displayed in white lowercase letters on a red rectangular background. The background of the entire slide is a photograph of a concert or event, showing silhouettes of people with their arms raised in the foreground and bright stage lights in the background.

Businesses face a range of energy challenges

How can I cut energy bills and improve my bottom line?

How can I reduce my carbon footprint?

How can I ensure security of supply?

How will the new energy world impact my company?

How can I achieve ambitious environmental objectives?

To help our customers comply with ESOS E.ON partnered with the Carbon Trust

In 2015 we and the Carbon Trust sold approximately 30 ESOS surveys, worth around £200K turnover in 2016.

This includes: Hotels, banks, healthcare, pharmaceuticals, restaurants, automotive, RHS and RNLI.

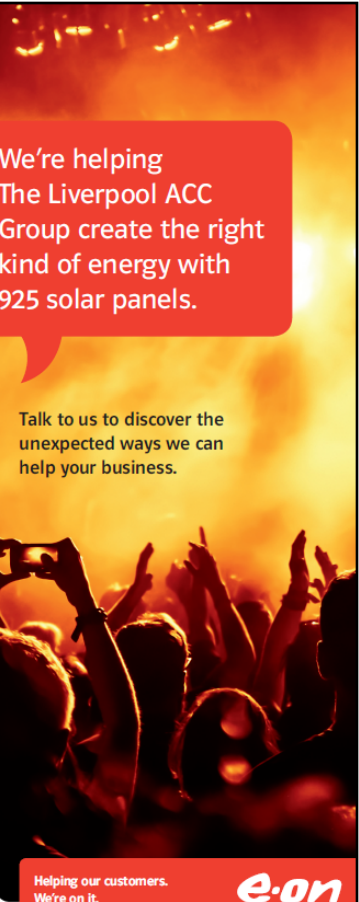

We've helped make a real difference for our customers

We're helping BSW Timber chop down energy costs with expert market advice.
